The Choir School

Professional training in music, and skills for life!
In three ensembles to suit your age & schedule

* The ensembles of The Choir School give boys and girls a special opportunity for developing the values of self-esteem, a positive attitude, respect, team spirit, discipline, and service to others. Making music at the highest level, ultimately alongside adult singers, with professional, adult expectations, is the vehicle for developing these gifts. We teach more than just music skills; our training can be an essential part of the whole formation of a child, instilling confidence for life’s challenges.

* New singers ages 4 to 15 (unchanged voices for boys) may join at any time, the sooner the better to be eligible for tours.

* Visit us for a rehearsal, concert or service; phone or email the administrative office to arrange an informal interview.

* No prior training or experience is expected or required.

* Children of any religious affiliation, or no affiliation, are warmly welcomed. While our faculty and services are Episcopal and Roman Catholic, religious affiliation is not expected of students.

* Classes begin the week of September 12.

Fees

Parents will find a network of support awaiting them, including carpooling from many locations in Newport County. Since few children can envision the enjoyment and long-term reward of a choir experience, parental initiative and involvement is critical when considering membership.

The ensembles combine for training, tours, festivals with other choir programs, and concerts.

The Choir School uses the acclaimed “Voice for Life” voice and music theory training curriculum of the Royal School of Church Music in America.

Partnering institutions are beautiful, child-safe, inspiring places.
